Rehabilitation programme for displaced families of Bodhghat Project

*92. SHRI AJIT P. K. JOGI: Will the Minister of ENERGY be pleased to refer to the answer to Unstarred Question 3102 given in the Rajya Sabha on the 13th March, 1989 and state:

(a) how many acres of arable land in the villages around the proposed Bodhghat Hydro-electric Project and how many 'Abadi' plots for the construction of houses for the oustees have been identified; and

(b) what are the details of the steps so far taken to rehabilitate the displaced families?

THE MINISTER OF ENERGY WITH ADDITIONAL CHARGE OF THE MINISTRY OF CIVIL AVIATION (SHRI ARIF MOHD. KHAN): (a) A total of 7148 hectares of land has been identified for settlement of oustees around Budhghat Hydroelectric Project. 1748 plots of 500 sq. metres each have been identified by the project authorities for allotment to the oustees.

(b) Although, no person has been displaced, a model village at Farsmadur has been established to demonstrate the facilities which would be available to the affected families.

MRTP permission for advertisement by Pepsi Foods

*93. SHRI N. E. BALARAM:
SHRI CHATURANAN MISHRA:

Will the Minister of INDUSTRY be pleased to state:

(a) whether Government's attention has been drawn to the advertisement by Pepsi Foods in the Hindustan Times of the 17th April, 1990, showing bicycles being given to the potato chips and cheetos customers;

(b) if so, whether MRTP permission is required for such advertisements; and

(c) if so what action, if any, is proposed to be taken?

THE MINISTER OF INDUSTRY (SHRI AJIT SINGH): (a) to (c) Under the provisions of the MRTP

Act, 1969, permission of the MRTP Commission is not required for issue of advertisement. However, the Commission has the power to enquire into any unfair trade practices. In the present case, the Commission has taken cognizance of the advertisement in question and has considered it to be attracting Section 36A(3)(b) of the MRTP Act, 1969. Accordingly, the Commission in accordance with Regulation 19(2)(c) of the MRTP Commission Regulations, 1974, has ordered investigation on 24.4.1990 into the matter by the Director General (Investigation & Registration). The MRTP Commission being a quasi-judicial body is empowered to take necessary action in the matter under provisions of the MRTP Act.

Power Projects of Andhra Pradesh pending Central Clearance

*94. SHRI TALARI MANOHAR: Will the Minister of ENERGY be pleased to state:

(a) how many power project schemes of Andhra Pradesh are pending central clearance; and

(b) whether the Central Government propose to clear these projects expeditiously in view of power situation in Andhra Pradesh?

THE MINISTER OF ENERGY WITH ADDITIONAL CHARGE OF THE MINISTRY OF CIVIL AVIATION (SHRI ARIF MOHD. KHAN): (a) and (b) A Statement is laid on the Table of the House [*See* appendix CLIX, Annexure as 10]

Legislation to Curb smoking

*95. SHRIMATI RATAN KUMARI:
SHRI BEKAL UTSAHI:

Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether Government are considering a proposal for enacting a law to curb smoking;

(b) if so, what are the main features of the proposal; and

(c) by when a final decision is likely to be taken?

THE MINISTER OF STATE OF THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI RASHEED MASOOD): (a) Yes Sir.

(b) and (c) A statement is laid on the Table of the Sabha.

Statement

The main features of the proposed legislation are as follows:—

1. The existing statutory warning on cigarette packets/advertisements/hoarding that 'Cigarette smoking is injurious to health' will be expanded to include one or the other telling slogans mentioned below:—

'Smoking can lead to Oral Cancer'

'Smoking can cause heart problems'

'Smoking may reduce your life span'

'Smoking can aggravate respiratory problems'

2. Statutory warning will be prominently displayed on the cigarette packets.

3. Prohibition of advertisements of cigarettes.

4. Existing rules/regulations to be extended to areas such as Government offices, hospitals and health care establishments, educational institutions, official conferences/meetings, railway stations and airports.

5. Projection of slides depicting harmful effects of cigarette smoking before every show in cinema halls and also on T.V.

6. Ban on smoking in hospitals and health institutions, aircrafts,
